

The Supreme Court Has Declared **WAR** on God in America!

Over the past fifty years, the decisions of the U.S. Supreme Court as well as the federal courts at all levels, have taken away **YOUR freedoms**. This is what they have done:

- In the Kentucky case the court stated it is all right to display the Ten Commandments in the Courthouse **provided you do not believe in God**.
- **Removed the Ten Commandments** from public school walls and government buildings
- **Banned all types of prayer from public schools**, including prayers at graduation, at sporting events, and short periods of silence for private meditation and/or voluntary prayer
- Ruled that the **only theory that can be taught in public schools in America is evolution**. Creation viewpoints are not allowed!
- Made a concerted effort to move America from the **higher laws of God** to the lower laws of man.

Here's What **YOU** Can Do!

Two New Bills have been introduced into Congress to **protect your freedom to acknowledge God – S520** in the Senate and **HR1070** in the House of Representatives.

These bills will help to **restore your freedom** by:

- Allowing **expression of faith in public**
- Allowing the **display of the Ten Commandments** in public places
- Retaining **God in the Pledge of Allegiance**
- Retaining **“In God We Trust”** as the national motto
- Mandating that the **Supreme Court will not have jurisdiction over these areas and will NOT be allowed to modify or eliminate these Constitutional freedoms**.
